

Christopher C. King, Senior Telecom Services Analyst and Director, Stifel Nicolaus

Christopher C. King is a Senior Telecom Services Analyst and Director at Stifel Nicolaus, where he covers telecommunications and cable services firms. His current coverage universe consists of a focus on Latin American and emerging market wireless carriers, as well as Rural Local Exchange Carriers (RLECs), and the Regional Bell Operating Companies (RBOCs), in addition to several national independent wireless carriers. Mr. King joined the Stifel Nicolaus Research Team in connection with Stifel's acquisition of the Legg Mason Capital Markets Group in December of 2005. Mr. King joined the Legg Mason Telecommunications Equity Research team in January 2001. He was an equities trader and fixed-income analyst with Wachovia Bank and Allfirst (Allied Irish) Bank, and for five years prior to joining Legg Mason/Stifel, was a financial analyst with Allfirst in the company's Brokerage and Capital Markets Groups.

Mr. King has a bachelor's degree in politics and economics from Wake Forest University and an MBA with a concentration in finance from the University of Maryland, and is a member of the Board of Directors of the Wake Forest University Deacon Club. In 2011, Mr. King was ranked No. 1 in the Wireless Telecommunication Services Industry in the Financial Times/StarMine World's Top Analysts Survey.
